You may choose your own 4 digit ID's (numbers only please), or Voyager will assign them in sequential order. Existing company Driver ID's less than 4 or 6 digits can be accommodated by inserting enough zeros to make either 4 or 6 digits (i.e. Drivers 1,2,3 could be 0001, 0002, 0003). If you desire, please assign ID's beside the names or leave the ID column blank and we will assign. There can be no duplicate Driver ID's.
