

U.S. Bank - Money Saving Features

U.S. Bank knows you are looking for new ways to save money and effectively manage your USPS fleet expenses. We've added several new features that are convenient tools for you to use to reach your fleet management goals. The fleet card is accepted at over 230,000 major and regional fuel and maintenance locations in 50 states including Puerto Rico with new sites added daily.

Purchase Control – Custom tailor features to maximize fleet purchase control

- **Fuel Only Restrictions** – avoid costly non-fuel related expenses
- **Time Based Spending Limits and Restrictions**
 - Monthly Spend Limits- 30-day billing cycle spending limits
 - Single Purchase Per Day
 - Time-of-day purchasing limits-
 - Day-of-week purchasing limits
 - Daily transaction limits- establish a specific number of transactions per day
- **Site Restrictions** – Individual locations, state, zip or mcc merchant codes
- **Decline Options** – When the transaction limits are exceeded you decide how you want to manage the situation. You may instruct a retailer to call to authorize one additional transaction or decline the transaction at the point of purchase

U.S. Bank Fleet Commander Online

Fleet Commander Online is our internet-based feature rich account management software used by fleet managers to customize the control options used to manage fleet expenditures.

- Online, real-time account maintenance including card cancellation and replacement
- Online fuel pricing links can help drivers plan routes and check prices
- Flexible Management and Transaction Reports
 - Online driver reports can be downloaded to PDF, Excel, or text formats
 - Inventory reports on individual driver profiles
 - Transaction detail reports providing 68 separate data items
 - Management reports including dollars by merchant, non-maintenance transactions, cards with high gallons and fuel economy
 - Exception Reports to identify purchase trends or potential employee misuse

Customer Service – Outstanding service is one of the many benefits U.S. Bank offers. Our customer service is available 24/7, 365 days-a-year and maintains the highest quality standards for prompt responses to customer needs.
