

# Office Equipment Vendor Services: Partner with an original

For decades, U.S. Bank Equipment Finance - Office Equipment Vendor Services has stood apart by offering customized financial solutions for the document imaging industry. More than just a traditional lease, our unique Bundled Print Management products simplify a multitude of transactions and keep you in control of your clients' document output needs. With Office Equipment Vendor Services, you'll get a partner that offers expert billing and collecting tools, easy to use online tools for reporting and portfolio management and access to a vast network of industry experts.

## Expert billing and collecting

Offering a total solution to your client can be complicated and time consuming. Office Equipment Vendor Services provides services that support your clients' complex needs. Today's sale requires comprehensive solutions for your clients' document output needs. Selling this total solution becomes more profitable when it can be billed on one invoice.

## Professional tools

Business online tools (BOLT) from Office Equipment Vendor Services help you manage your business. The system gives you access to your clients' information at any time. BOLT technology puts you in control of your portfolio.

## Invaluable network connections

Office Equipment Vendor Services has more than a decade of expertise with Bundled Print Management. Our dedication to the industry has established a multitude of relationships with premier companies that have a heritage of print management innovation.

## Committed to equipment financing for the long term

For 40 years, U.S. Bank Equipment Finance has served as a major funding source for companies in virtually every industry sector nationwide. As the fifth largest commercial bank in the nation, U.S. Bank has the financial strength and expertise to provide what you need to maximize your business opportunities.
