

Technology Vendor Services: Your financing program partner

At U.S. Bank Equipment Finance - Technology Vendor Services, we design finance programs for manufacturers, distributors and Value Added Resellers (VARs) of computer, technology, telecommunications and other equipment. We can facilitate transactions from \$5,000 to \$100+ million with programs designed to drive:

- Increased profitability
- Greater competitive advantage
- Fewer customer objections to price
- Higher closing ratios
- Greater customer control

Grow your business with customized solutions from Technology Vendor Services

Sound finance programs can increase your sales and repeat business. We want to help you succeed. Our unique focus on specific industries and niches enables us to create programs tailored to your business and your customers. We provide you with all the tools you need to develop successful leasing programs.

To build the strongest program for you, we start by consulting with you to develop a foundation for your unique requirements. Together we'll build a customized program, leveraging your experience and knowledge.

Our progressive mix of products and services are part of our commitment to continually lead the market in developing new ideas for vendor financing. We're committed to meeting the needs of your business and your customers.

Committed to equipment financing for the long term

For 40 years, U.S. Bank Equipment Finance has served as a major funding source for companies in virtually every industry sector nationwide. As the fifth largest commercial bank in the nation, U.S. Bank has the financial strength and expertise to provide what you need to maximize your business opportunities.
