How it works

• To enroll in Smart Rewards, you must have a Bank Smartly Checking account. Enrollment is required to participate in Smart Rewards. If you qualify for more than one customer group, you will receive benefits from all the applicable customer groups. If there is an overlap in the benefit category, the highest value benefits will be automatically applied.

• If all qualifying Bank Smartly Checking accounts are closed or you are no longer an account owner, you will not be eligible for Smart Rewards.

1. Personal Trust account balances are the current account balance as of close of the prior day for eligible trust account types that are held for your benefit: IRAs, Agency accounts, Revocable Trust accounts and Custody accounts.

2. Military group requires notification to U.S. Bank to enact the status and is inclusive of both current and former members. Youth, Young Adult, and Senior groups will automatically be applied based on birth date. Applicable ages; Youth (13-17), Young Adult (18-24), and Senior (65 or over).

Earn More Benefits - Rewards Tier Reviews

- Tier reviews occur to appropriately assign your account into a tier based on your relationship with U.S. Bank, driven by qualifying balances, credit product relationships or any relevant customer group qualifications.
- Your initial review will be based on your total qualifying balance the business day after your consumer checking account is enrolled in Smart Rewards.
- Ongoing reviews occur after the end of every month to determine if an account qualifies for a tier upgrade. The monthly average balance for each qualifying account will be calculated by totaling the daily end of day balances then dividing by the number of days in the month (or days since account opening within the month). Up to three months of average monthly balances for each account will be added together and then divided by the number of months to calculate the combined monthly average balance for the account. The combined monthly average balance for all accounts will be added together to determine the balance used to qualify for the tier. The Smart Rewards Tiers and Benefits grid on pages 5 and 6 shows the tier assignments by qualifying balance.
- After the end of each calendar year, the combined monthly average balance for each account will be calculated using up to 12 months of balances. The combined monthly average balance for all qualifying accounts will be added together to determine the balance used for the tier assignment. The annual review may lead to a tier upgrade or downgrade. The annual review balance will be compared to the balance calculated from the December monthly review and the balance resulting in the highest tier placement will be used.
- Reviews associated with the customer groups are ongoing (daily) and upgraded benefits will generally occur within five business days. If your customer group changes for any reason, this may impact your tier (upgrade or downgrade) and/or any benefits outside of the standard annual reviews.
- U.S. Bank will notify you if your tier is changing (upgrade or downgrade).

Additional Information

- Application of benefits: After you enroll and upon monthly tier reviews, benefit changes will generally occur within five business days. For tier downgrades or loss of a customer group, we will give advance notice before the change occurs.
- Qualification for benefits is at a customer level, and then are applied to the impacted products you own or other fee waivers provided by your customer group benefit (if applicable).
 - If you have a joint account, the highest tier across account owners will be applied to the joint account.
 - In the event of a change to a customer tier, notices of changes will only be provided to the customer with the change. This means an account you own jointly may be impacted and you may not receive notice of the change. You may check the tier of any deposit account online, by calling 24-Hour Banking, or by contacting your local branch.
- A tier or customer group change for any account owner may have potential impact to account benefits for all account owners.

1. Variable rate account. Interest rates are determined at the bank's discretion and can change at any time. Speak to a banker for current deposit rates, disclosures on rates, compounding and crediting, and other balance information. The interest rate Lift is calculated by taking your current interest rate and multiplying it by the interest rate Lift. This gets the interest rate Lift amount, which is added on top of the current interest rate. The interest rate Lift applies to standard rates only, it is not applicable for special or promotional rates. Savings interest rate Lift applies to Standard Savings only.
2. Maintaining an open U.S. Bank Smartly® Checking account enrolled in the Smart Rewards® Plus tier, at a minimum, is required to waive the IRA annual fee. The IRA annual fee waiver does not apply to Personal Trust IRAs.
3. Newly enrolled Smart Rewards customers will not be immediately eligible for Safe Deposit Box discounts. Eligibility will occur when a Smart Rewards tier is assigned, generally five business days after enrollment.
4. Apply online or through a U.S. Bank branch for pre-approval of a loan to purchase a car or truck. Discount will be applied to approved rate. To receive the interest rate discount, a U.S. Bank Smartly® Checking account must be opened and enrolled in Smart Rewards with a qualifying tier assignment **before** applying. Applications are subject to credit approval.
5. Purchase must be completed through a U.S. Bank network dealership after U.S. Bank pre-approval is provided. The dealership will work with you to finalize the vehicle financing. The U.S. Bank auto financing pre-approval is only valid at a dealership with which U.S. Bank works. U.S. Bank is not affiliated with these dealerships and U.S. Bank makes no representations or warranties regarding the dealerships, their vehicles, related products, or services. Applications completed at a dealership are not eligible for the discount.
6. An annual fee may apply after the first year or it may be waived or discounted with enrollment in the Smart Rewards program. To receive the Home Equity Line of Credit annual fee discount, a U.S. Bank Smartly® Checking account must be open and enrolled in Smart Rewards with a qualifying tier assignment. Discount amounts are determined using your tier assignment on the anniversary date of your Home Equity Line of Credit. Tier assignments generally occur within five business days after tier review.
