U.S. Bank Smart Rewards™ (U.S. Bank Smartly™ Checking only, Safe Debit is not eligible)

The U.S. Bank Smart Rewards offers unique benefits based on your relationship with U.S. Bank, driven by the amount of qualifying deposits and/or investment balances from our affiliate U.S. Bancorp Investments* and Personal Trust¹ balances you have. Benefits may include waivers of common fees as well as discounts on other U.S. Bank products.

Qualifying Consumer Deposits, U.S. Bancorp Investments* and Personal Trust Accounts¹

Qualifying balances include consumer accounts where the account is open and you are an account owner.

Note: Balances in business and commercial accounts do not qualify.

- Checking account(s)
- Money Market savings account(s)
- Savings account(s)
- CDs and/or IRAs
- U.S. Bancorp Investments*
- Personal Trust Accounts¹

How it works

- To enroll in Smart Rewards, you must have a Bank Smartly Checking account. Enrollment is required to participate in Smart Rewards. You can enroll through online and mobile banking, 24-Hour Banking, or by visiting your local branch. If you choose not to enroll in the program you will not be eligible for the benefits included in the Smart Rewards Tiers and Benefits grid as defined on pages 5 and 6.
 - If you qualify for any of the following customer groups you will be automatically enrolled in the program: Military (requires self-disclosure), Senior, Youth, Young Adult and Alliance.² If you are a part of a customer group, see the Customer Group Benefits section for a list of automatically applied benefits. For customers who may have more than one customer group, the higher value benefits will be applied.
- There is no cost for the program, and you may unenroll from the program at any time using the same channels for enrollment (described above).
- If all qualifying Bank Smartly Checking accounts are closed or you are no longer an account owner, you will not be eligible for Smart Rewards.

Earn More Benefits - Rewards Tier Reviews

- Tier reviews occur to appropriately assign your account into a tier based on your relationship with U.S. Bank, driven by qualifying balances, credit product relationships or any relevant customer group qualifications.
- Your initial review will be based on your total qualifying balance the business day after your consumer checking account is enrolled in Smart Rewards.
- Ongoing reviews occur after the end of every month to determine if an account qualifies for a tier upgrade. The monthly average balance for each qualifying account will be calculated by totaling the daily end of day balances then dividing by the number of days in the month (or days since account opening within the month). Up to three months of average monthly balances for each account will be added together and then divided by the number of months to calculate the combined monthly average balance for the account. The combined monthly average balance for all accounts will be added together to determine the balance used to qualify for the tier. The Smart Rewards Tiers and Benefits grid on pages 5 and 6 shows the tier assignments by qualifying balance.
- After the end of each calendar year, the combined monthly average balance for each account will be calculated using up to 12 months of balances. The combined monthly average balance for all qualifying accounts will be added together to determine the balance used for the tier assignment. The annual review may lead to a tier upgrade or downgrade. The annual review balance will be compared to the balance calculated from the December monthly review and the balance resulting in the highest tier placement will be used.
- Reviews associated with the customer groups are ongoing (daily) and upgraded benefits may take one business day to process. If you move out of a customer group, this may impact your tier (upgrade or downgrade) and/or any benefits outside of the standard annual reviews.
- U.S. Bank will notify you if your tier is changing (upgrade or downgrade).

1. Personal Trust account balances are the current account balance as of close of the prior day for eligible trust account types that are held for your benefit: IRAs, Agency accounts, Revocable Trust accounts and Custody accounts.

2. Military group requires notification to U.S. Bank to enact the status and is inclusive of both current and former members. Youth, Young Adult, and Senior groups will automatically be applied based on birth date. Applicable ages; Youth (13-17), Young Adult (18-24), and Senior (65 or over).

- **Application of benefits:** After you enroll and upon monthly tier reviews, benefit changes will generally occur within five business days. For tier downgrades or loss of a customer group you will generally have two months before the change occurs.
- Qualification for benefits is at a customer level, and then are applied to the impacted products you own.
 - If you have a joint account, the highest tier across account owners will be applied to the joint account.
 - In the event of a change to a customer tier, notices of changes will only be provided to the customer with the change.
