

Community Possible

We're closing the gap between people and possibility.

Andy Cecere
Chairman, President & CEO
U.S. Bancorp

“At U.S. Bank, our commitment to social responsibility has been unwavering for generations. Through our giving and engagement platform Community Possible, we focus on closing the gap between people and possibility in the areas of Work, Home and Play. We combine philanthropy with products that are ethical, innovative and environmentally sensitive. As one of the largest financial institutions in the country, we understand our responsibility to revitalize neighborhoods, provide financial education, create employment opportunities, support small business development and affordable housing, embrace diversity and inclusion, and so much more.”
