---

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

Below is a detailed list of the cookies we use on our Website. We classify cookies in the following categories:

- Strictly Necessary Cookies
- Performance Cookies
- Functional Cookies
- Targeting Cookies

Our Website uses only Strictly Necessary Cookies.

## Strictly necessary cookies

These cookies are essential in order to provide the website content and/or features.

These cookies do not gather information about you that could be used for marketing or remembering where you have been on the internet.

You can disable these cookies in your browser. However, please note that if you disable these cookies, you may not be able to access all or parts of our website or features.

## Cookie management

You can control how cookies are placed on your device from within your own browser.

If you wish to restrict or block the cookies which are set by this website, you may do this through the browser settings for each browser you use, on each computer or device you use to access the internet.

However, please be aware that some of our services may not function if your browser does not accept cookies.

You may wish to visit [www.allaboutcookies.org](http://www.allaboutcookies.org) which contains comprehensive information on how to do this on a wider variety of browsers including mobile internet browsers.
