

## SECURITY INTEREST IN ACCOUNTS

You grant to us and our affiliates, a security interest in all your accounts with us, and all property in your accounts (including money, certificates of deposit, securities and other investment property, financial assets, etc.), to secure any amount you owe us or our divisions, department, and affiliates, now or in the future. This includes, for example, debts that now exist and debts that you may incur later, your obligations under a guaranty, and also includes all fees you owe us or our affiliates. For purposes of this section, "account" includes any account you have with us or any of our affiliates (including, without limitation, agency, custody, safekeeping, securities, investment, brokerage, and revocable trust accounts) and "you" includes, without limitation, your revocable trust, any partnership in which you are a general partner, any prior or successor entity by way of an entity conversion, and any other series of your series limited liability company (as applicable). In order to provide us and our affiliates with control over your account and all property in your account for purposes of perfecting the security interest granted above, you agree that we shall comply with any and all order, notices, requests and instructions originated by us or any of our affiliates directing disposition of the funds in your account without any further consent from you, even if such instructions are contrary to your instructions or demands or result in our dishonoring items which are presented for payment.

If your account is a joint account, you agree we may consider each joint owner to have an undivided interest in the entire account, so we may exercise our security interest against the entire account. We may enforce our security interest without demand or prior notice to you. You agree, for purposes of this security interest, that our affiliates may comply with any instructions we give them regarding your accounts held with them, without further consent. You also agree that we may comply with any instructions regarding your accounts that we receive from our affiliates pursuant to a security interest they have in your accounts with us. We will not be liable to you if enforcing our security interest against your account(s) leaves insufficient funds to cover outstanding items or other obligations.

You agree to hold us harmless from any claim arising as the result of our security interest in, or enforcement of our security interest against, your account(s).

## SECURITY

It is your responsibility to protect the account numbers, including card numbers and electronic access devices (e.g., an ATM card, debit card, username and password or PIN) we provide to you for your account(s).

If you furnish your access device and grant actual authority to make transfers to another person (a family member, coworker or employee, for example) who then exceeds that authority, you are liable for the transfers unless we have been notified that transfers by that person are no longer authorized.

Your account number can also be used to electronically remove money from your account. If you provide your account number in response to a telephone solicitation for the purpose of making a transfer (to purchase a service or merchandise, for example), payment can be made from your account even though you did not contact us directly and order the payment.

You must also take precaution in safeguarding your blank checks. Notify us at once if you believe your checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss).

We reserve the right to place a hold on your account if we suspect irregular, fraudulent, unlawful or other unauthorized activity involved with your account. We may attempt to notify you of such a hold, but we are not required to provide notice prior to placing the hold. You agree that we may maintain such a hold until all claims against you or us to the funds held in your account, whether civil or criminal in nature, have been resolved fully in our sole satisfaction.

## RESOLUTION OF DISPUTES BY ARBITRATION

**PLEASE READ THIS PROVISION CAREFULLY. UNDER THIS PROVISION, YOU WAIVE YOUR RIGHTS TO TRY ANY COVERED CLAIM IN COURT BEFORE A JUDGE OR JURY AND TO BRING OR PARTICIPATE IN ANY CLASS OR OTHER REPRESENTATIVE ACTION.**

The following provision applies to any claim, cause of action, proceeding, or any other dispute between you, on the one hand, and us, our respective parents, subsidiaries, affiliates, agents, employees, predecessors-in-interest, personal representatives, heirs and/or successors, and assigns, on the other hand (each a "Claim" as further defined under the heading "Claims Covered by Arbitration"), including all questions of law or fact related thereto.

**Agreement to Arbitrate:** Either you or we may elect in writing, and without the consent of the other, to arbitrate all Claims covered by this provision.

**Claims Covered By Arbitration:** Claims subject to our agreement to arbitrate shall include all of the following: (1) Claims related to or arising out of this account Agreement, or any prior or later versions of this account Agreement as well as any changes to the terms of this account Agreement; (2) Claims related to or arising out of any aspect of any relationship between us that is governed by this account Agreement, whether based in contract, tort, statute, regulation, or any other legal theory; (3) Claims related to your use of any of the digital services we make available to you through our website, online banking platforms, and mobile apps; and (4) Claims that relate to the formation, construction, scope, applicability, or enforceability of this arbitration provision. Claims include Claims that arose before we entered into this account Agreement (such as Claims related to advertising) and after termination of this account Agreement.

**Arbitration:** The party initiating arbitration must initiate such arbitration with the American Arbitration Association ("AAA"). If AAA is for any reason unable to serve, then the parties may agree to a comparable substitute organization. If the parties are unable to agree, then a court of competent jurisdiction shall appoint a comparable substitute organization.

**Small Claims Jurisdiction:** If a party's Claim is within the jurisdiction of the small claims court where you reside, either party may at any time choose to take the Claim to that court instead of arbitration. The party may take the Claim to small claims court without first filing in arbitration or, after a case is filed in arbitration, a party may send written notice to the opposing party and the arbitration forum that it wants the Claim decided by a small claims court. After receiving the notice, the arbitration forum shall administratively close the case.

**Arbitration Procedure:** The arbitration shall be decided by a single neutral arbitrator. Except as modified by this Resolution of Disputes by Arbitration provision, AAA shall administer arbitration in accordance with AAA's Consumer Arbitration Rules. AAA's Rules may be obtained from [www.adr.org](http://www.adr.org) or 800-778-7879 (toll free).

At the time of initiating arbitration, the party seeking to initiate arbitration must provide the other party with the demand for arbitration and identify the account holder(s) and account(s) at issue, including the account number(s), and provide a short and plain statement of the claims asserted and the relief sought. The parties agree that Federal Rule of Civil Procedure 11 shall apply to the arbitration proceeding, including that the claims and relief sought are neither frivolous nor brought for an improper purpose.

The arbitrator will decide the dispute in accordance with the terms of our account Agreement and applicable substantive law, including the Federal Arbitration Act and applicable statutes of limitation. The arbitrator shall honor claims of privilege recognized at law. The arbitrator may award damages or other relief (including injunctive relief) available under applicable law, including relief contemplated under Federal Rule of Civil Procedure 11. The arbitrator will not have the authority to award relief to, or against, any person or entity who is not a party to the arbitration. The arbitrator will take reasonable steps to protect customer account information and other proprietary or confidential information. Any arbitration hearing shall take place in the federal judicial district that includes your home address, unless you and we agree in writing to a different location or the arbitrator so orders. If all Claims are for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing in accordance with AAA's rules.

At your or our request, the arbitrator will issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. The arbitrator's award shall be final and binding, subject to judicial review only to the extent allowed under the Federal Arbitration Act. You or we may seek to have the award vacated or confirmed and entered as a judgment in any court having jurisdiction.

**No Class Action or Joinder of Parties:** You and we agree that any Claim brought in arbitration will be brought on an individual basis only. You and we agree that no class action, private attorney general, or other representative claims may be pursued in arbitration, nor may such action be pursued in court if either you or we elect arbitration. Unless mutually agreed to by you and us, Claims of two or more persons may not be joined, consolidated, or otherwise brought together in the same arbitration (unless those persons are joint account owners or beneficiaries on your account and/or related accounts, or parties to a single transaction or related transaction). If under applicable law a claim, remedy or request for relief cannot be compelled to arbitration, then that claim, remedy or request for relief shall be severed and may be brought in a court of competent jurisdiction under this Agreement

after arbitration and all appeals are concluded. The remaining claims, remedies or requests for relief shall be submitted to arbitration consistent with the terms of this provision. If this specific paragraph is determined by the arbitrator to be unenforceable, then this entire provision shall be null and void.

**Arbitration Costs:** The parties will be responsible for the costs of arbitration as set forth in the rules of the applicable arbitration forum and subject to applicable law. To the extent allowed by applicable law, our agreements, and the rules of the applicable arbitration forum, the arbitrator may award arbitration costs and attorneys' fees to the prevailing party. Otherwise, each party will pay its own attorney, expert and witness fees.

**Applicable Law:** You and we agree that you and we are participating in transactions that involve interstate commerce and that this provision and any resulting arbitration are governed by the Federal Arbitration Act. To the extent state law applies, the laws of the state governing your account relationship apply. No state statute pertaining to arbitration shall apply.

**Severability:** Except as this provision otherwise provides, if any part of this provision is deemed to be invalid or unenforceable by the arbitrator, that part will be severed from the remainder of this provision and the remainder of this provision will be enforced.

### ATTORNEY'S FEES

Where used, "attorney's fees" includes our attorney's fees, court costs, collection costs, and all related costs and expenses. Notwithstanding any provision in this Agreement to the contrary, any provision for attorney's fees in this Agreement shall not be enforceable in any dispute governed by the laws of California or Oregon.

### LITIGATION CLASS ACTION WAIVER

To the extent a Claim is not submitted to arbitration for any reason, you and we agree that any Claim filed in court will be brought on an individual basis only. You and we agree not to participate in any class action, private attorney general action, or other representative action for any Claim filed in court by any party.

## FUNDS AVAILABILITY: YOUR ABILITY TO WITHDRAW FUNDS – ALL ACCOUNTS

This funds availability policy applies to deposits into a checking or savings account made at a branch or ATM. This policy does not apply to deposits made using a remote deposit capture service (like our mobile check deposit service). Please see the *Digital Services Agreement* to learn more about the funds availability policy applicable to deposits made through a mobile or other electronic device.

Some sections of this disclosure apply to all accounts and all customers. There are special sections for New Accounts, Commercial Accounts, Wealth Management Accounts and Retail Consumer and Business Accounts. We will make that clear in the section headings.

Funds "availability" means your ability to withdraw funds from your account, whether those withdrawals are to be in cash, by check, automatic payment, or any other method we offer you for access to your account. If deposited funds are not "available" to you on a given day, you may not withdraw the funds in cash and we may not use the funds to pay items that you have written or honor other withdrawals you request. If we pay items that you have written or honor other withdrawals before funds are available to you, we may charge a fee for this. Please review the product pricing information disclosure for information regarding overdraft fees associated with your accounts.

Please remember that even after the item has "cleared," we have made funds available to you, and you have withdrawn the funds, you are still responsible for items you deposit that are returned to us unpaid and for any other problems involving your deposit. See our **Returned Deposited Items For Business Accounts Only** section.

### DETERMINING THE AVAILABILITY OF A DEPOSIT – ALL ACCOUNTS

The day funds become available is determined by counting business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays. If you make a deposit in person at a branch on a business day we are open, we will consider that day to be the day of your deposit for purposes of calculating when your funds will become available. However, if you make a deposit at a time or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If a deposit is made after 8:00 p.m. (local time at the ATM location) or on a day we are not open, we will consider the deposit to be made on the next business day we are open.

Deposits you send by mail are considered deposited on the business day it arrives at the bank. In all cases, availability of any deposit assumes that a requested withdrawal will not overdraw the account.

### IMMEDIATE AVAILABILITY – ALL ACCOUNTS

The following types of deposits will usually be available for withdrawal immediately under normal circumstances:

- Cash (if deposited in person to an employee of ours);
- Electronic direct deposits;
- Wire transfers; and
- The first \$225.00 from the total of all other deposits made on any given day.

Cash and wire transfer deposits are subject to the **Special Rules for New Accounts** and the \$225.00 availability is subject to the rule in the section titled **Longer Delays May Apply**.

### LONGER DELAYS MAY APPLY

**Government Checks, Cashier's Checks, and Other Types of Special Checks.** If you make a deposit of one of the following items in person to one of our employees, our policy is to make the funds from those deposits available no later than the first business day after the day of deposit:

- State and local government checks that are payable to you;
- Cashier's, certified, and teller's checks that are payable to you; and
- Federal Reserve Checks, Federal Home Loan Checks, and U.S. Postal Money orders that are payable to you.

If you do not make your deposit in person to an employee of the bank (for example, if you mail us the deposit), funds from these deposits may be available no later than the second business day after the day of deposit. However, we may delay funds for a longer period of time, see section titled **Longer Delays May Apply – Safeguard Exceptions**.

**Large Deposits.** If you deposit checks totaling more than \$5,525.00, in the aggregate, on any one day, then the first \$5,525.00 of your total deposit(s) will be available on the first business day after the day of your deposit(s). The excess amount over \$5,525.00 will be available on the seventh business day after the day of your deposit(s).

**Case-by-Case Delays.** In some cases, we will not make all of the funds that you deposit available to you as provided above. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225.00 of your deposit, however, will be available no later than the first business day after the day of deposit, and usually immediately.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees (including a deposit made at an ATM) or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

**Safeguard Exceptions.** In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

### RETAIL CONSUMER, BUSINESS AND COMMERCIAL ACCOUNTS

Our general availability policy for these accounts is to make funds available to you on the first business day after the day of deposit. We generally make some portion of a day's deposits available for withdrawal immediately. See the previous section for the types and amounts of deposits that are available immediately.

### WEALTH MANAGEMENT ACCOUNTS

Our general availability policy for **Private Client Accounts** is to make funds you deposit available to you immediately. This immediate availability

policy includes all deposits at any ATM. The section above titled **Longer Delays May Apply** also applies to your accounts. If we impose a delay as provided in that section, then the sections titled **Cashing Checks** and **Other Accounts** may also apply.

## DEPOSITS AT AUTOMATED TELLER MACHINES – RETAIL CONSUMER, BUSINESS AND COMMERCIAL ACCOUNTS

**Our Machines.** If you make a deposit at a deposit-accepting ATM identified as ours with the U.S. Bank name, your deposit will generally be available on the first business day after the day of deposit. However, in certain circumstances, and at U.S. Bank's discretion, the funds may not be available until the second business day after the day of deposit.

**Partner ATMs.** U.S. Bank has established alliances to expand ATM convenience. These partner ATMs display the U.S. Bank logo and are included in the definition of a U.S. Bank ATM. However, these ATMs generally do not accept deposits. If we permit a deposit at a partner ATM, your deposit will not be available until the fifth business day after the day of deposit.

**Other Machines.** Generally, deposits at an ATM that is not identified as ours with the U.S. Bank name are not permitted. If we permit a deposit at an ATM that is not identified as ours with the U.S. Bank name, your deposit will not be available until the fifth business day after the day of deposit.

## SPECIAL RULES FOR NEW ACCOUNTS – RETAIL CONSUMER AND BUSINESS ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits and deposits of cash and wire transfers to your account will be available on the day we receive the deposit. The first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, on-us checks (checks drawn on U.S. Bank), and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess amount over \$5,525.00 will be available on the fifth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will generally be available on the fifth business day after the day of your deposit. In certain instances, we may hold funds from other check deposits for longer than five business days. For example, if we receive a check that falls within the Safeguard Exception description above, we may delay funds for up to seven business days. If we do so, we will provide you with a hold notice at the time of deposit or when we learn that we will hold the funds from the deposit.

## CASHING CHECKS

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

## OTHER ACCOUNTS

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the day the deposited item would have been available, which will usually be the first business day after the day of deposit.

## ADDITIONAL TERMS FOR BUSINESS ACCOUNTS

All other sections of this Agreement apply to consumer and business accounts alike, (except when a rule specifically says it will apply to consumers). The following sections apply to accounts used primarily for business purposes.

## UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL TRANSACTIONS

You agree that you, or anyone acting on your behalf, will not use your account, access device or banking relationship with us to facilitate illegal transactions such as those prohibited by the Unlawful Internet Gambling Act of 2006, or otherwise violate any law, rule or regulation applicable to you. If we identify a suspected illegal transaction, we may block such transactions, and further we may close your account or terminate our banking relationship with you.

## DEPOSIT OF PRE-AUTHORIZED DRAFTS

A pre-authorized draft is an arrangement whereby you get authority from a person (a customer, usually) to access a deposit account owned by that person to pay a debt that person owes you. You deposit these "drafts" into a deposit account with us, and we collect them from your customers, who may have accounts with us or other banks. (These "drafts" are checks you create based on information your customer provides you, such as the customer's name and account number, and the express permission your customer gave you to draw on his account.)

When you deposit these pre-authorized drafts, you make the following agreements and warranties:

1. You have express, verifiable and binding authorization from your customer to access his, her or its account for the amount you ask us to collect;
2. You will keep the proof of your authorization in retrievable form for not less than two years from: (a) the date of the authorization of a one-time draft; or (b) from the date of revocation of the authorization of recurring drafts. You agree to provide us with such proof upon our request;
3. We may reverse any credit given to you for any draft deposited to your account and returned to us regardless of when it is returned or the reason for the return. We may take funds in your account to pay the amount you owe us, and if there are insufficient funds in your account, you will still owe us the remaining balance.

## EARNINGS CREDIT

Fees for services used by you may be assessed in full to your accounts or may be offset through account analysis by applying earnings credit to your service charges to determine a single monthly net service charge. Your earnings credit rate is established by us and will change from time to time. For business accounts, the variable earnings credit rate may be zero or a negative rate. If the earnings credit rate for any of your account(s) or the index or other referenced rate upon which the earnings credit rate for your account(s) is based is at any time less than zero percent, you agree to pay all amounts of the negative earnings credit or fees which we impose as compensation for the negative earnings credit rate. Your net service charge could be zero if your earnings credit equals or exceeds your total charges in a given month. If your earnings credit is not sufficient to offset the amount due hereunder, you agree to pay such amounts to us upon demand.

## WAIVER OF NOTIFICATION OF REDEPOSITED CHECKS

When you deposit checks to your account, you have a right to be notified whenever a check you deposit is returned unpaid. We offer a plan (to businesses who elect it) whereby we will automatically redeposit checks returned unpaid due to insufficient funds. To simplify collection of these items, you give up this right to notification for those items we redeposit. If these items are returned unpaid a second time, you will receive standard notification.

We may withhold the availability of funds represented by a redeposited check. We will notify you of such delay.

## FACSIMILE SIGNATURES

You may wish to use a facsimile signature stamp or other mechanical signature device to sign checks or other orders relating to your accounts. If you do, we will, without contacting you, debit your account for items bearing an imprint that looks substantially like your authorized mechanical signature, whether or not such items bear the actual facsimile signature stamp. You agree to notify us and give us a sample imprint if you plan to use such a device. If you do not give us a sample, this section still applies to your use of the device. You are responsible for the security of any mechanical signature device. We will not be responsible for payment of unauthorized items bearing an imprint from, or similar to, your authorized mechanical signature.

## DEPOSITS

**Truncation, Substitute Checks, and Other Check Images:** If you truncate an original check and create a substitute check or other replacement document, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check(s) you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with the time requirements as outlined in your remote deposit capture agreement with us. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

**Deposit Preparation, Sorting, and Endorsements:** You agree to properly prepare, sort, and endorse all deposits according to requirements specified in any applicable user guides and Federal Regulation CC. We require that you include the external processing code of “6” in Position 44 of the MICR line for all remotely created checks, and we reserve the right to dishonor any remotely created check that does not meet the requirement. You agree to indemnify us for any loss we incur that results from your failure to comply with these requirements.

**Requalification:** If you elect to have another bank or entity receive and process all of your returned checks, such other bank’s endorsement may be obscured by our depository bank endorsement. You understand and agree that any other endorsement placed on your checks that identify another bank as the depository bank or the bank to which checks should be returned may result in illegible or double endorsements, which may delay the return of your checks. You agree we shall not be liable for any such delays.

**Business Account Cash Deposits:** We reserve the right to require business customers to prepare their cash using a dual pocket deposit bag that meets our specifications. At our discretion, we may process such deposits either at the branch where the deposit is made or at a cash vault location. If the deposit bag is sent to a cash vault location for processing, you will be provided with provisional credit based on the amount stated on your deposit ticket. You agree that the cash vault location count of the deposit amount will be determinative and that we may revoke all or part of the provisional credit based on such count of the deposit amount for up to ten (10) calendar days after deposit at the branch.

## FRAUD PREVENTION MEASURES FOR BUSINESS ACCOUNTS

We offer certain products and services, such as “positive pay,” and account blocks and filters that are designed to detect or deter fraud. Failure to use such services could substantially increase the likelihood of fraud. If you fail to implement any of these products or services, or if you fail to follow these or other precautions reasonable for your type of account or circumstances, you agree that you will be precluded from asserting any claims against us for paying any unauthorized, altered, counterfeit or other fraudulent item that such product, service or precaution was designed to detect or deter, and we will not be required to re-credit your account or otherwise have any liability for paying such items.

**CUSTOMER SEGREGATED ACCOUNTS.** Notwithstanding anything to the contrary in this Agreement or any other agreement, we will maintain all money designated as client money—by broker-dealers, future commission merchants, or derivatives clearing organizations—in customer segregated accounts in accordance with acknowledgement letters required by applicable SEC and CFTC rules and regulations.

## ELECTRONIC FUND TRANSFERS FOR CONSUMER CUSTOMERS

This section applies to payment orders and electronic funds transfers described below in the section titled Types of Transactions. This section does not apply to (a) wire transfers or (b) electronic fund transfers initiated using online and mobile services (“Digital Services”). When you enroll in Digital Services, we will provide you with the U.S. Bank *Digital Services Agreement* that governs the electronic fund transfer services we make available on our Digital Services platforms.

If you have any questions regarding electronic fund transfers or believe that an unauthorized transaction has occurred, please call U.S. Bank 24-Hour Banking or U.S. Bank Fraud Liaison Center (unauthorized transactions) (see last page for phone numbers), visit a local U.S. Bank branch or write to:

**U.S. Bank 24-Hour Banking  
EP-MN-WS5D  
60 Livingston Ave.  
St. Paul, MN 55107**

Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

## TYPES OF TRANSACTIONS

These are the types of electronic fund transfers covered by this Agreement.

**Electronic Fund Transfers Initiated by Third Parties.** You may authorize a third party to initiate electronic fund transfers between your account and the third party’s account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. In all cases, these third-party transfers will require you to provide the third party with your account number and bank information. Thus, you should only provide your bank

and account number information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

**Direct Deposits.** You can arrange for direct deposits to your checking or savings account(s).

**Preauthorized Payments.** You can make arrangements directly with your third party billers to pay certain recurring bills from your checking or savings account(s).

**Electronic check conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.

**Electronic returned check charge.** You may authorize a merchant or other payee to initiate an electronic fund transfer to collect a charge in the event a check is returned for insufficient funds.

## Expanded Account Access

**What it is.** Any card or PIN (personal identification number) can be used to access up to five checking, savings, line of credit and credit card account(s) held in the same name at U.S. Bank or any of its bank affiliates; and any account you open with us and our affiliates may be accessed by your card or PIN. “Access” means use of a card or account number and PIN to conduct a transaction or obtain information at ATMs, over the telephone, or any other available method. If the card or PIN is for a joint account, that card or PIN can be used to access all the accounts linked to the card or PIN account, whether joint or individual. Expanded Account Access is also applicable to your Digital Services.

**The “cards” that can get Expanded Account Access.** All U.S. Bank Debit Cards and ATM cards (excluding prepaid cards), and all U.S. Bank-issued Credit Cards (including, but not limited to, co-branded credit cards, and all credit lines issued through U.S. Bank and U.S. Bank affiliates).

**Fees and Charges for Expanded Account Access.** There are no additional fees or charges just for Expanded Account Access, but fees applicable to each applicable account will continue to apply in accordance with the terms of the applicable account agreements. The fees and terms for each of your accounts will be as disclosed in the *Consumer Pricing Information* disclosure. (This document can be obtained by contacting a U.S. Bank branch or calling 800-872-2657.)

The fees and terms for your personal credit cards and lines of credit are disclosed in the applicable cardmember agreement.

**How to Cancel.** You can visit a branch or call the U.S. Bank 24-Hour Banking number at any time to cancel Expanded Account Access. If you cancel Expanded Account Access for any account, that account will not be accessible by any card or PIN other than the card or PIN specifically designated for that account.

## Account Access at Automated Teller Machines

You can access up to five checking, five savings, and five line(s) of credit or credit card accounts at U.S. Bank ATMs through all your cards held in the same name (excluding prepaid cards).

You may perform the following transactions at ATMs:

- Make cash withdrawals from your checking and savings accounts associated with your card. Cash denominations vary by ATM.
- Get cash advances from your credit card account using your U.S. Bank Debit Card or ATM card. (Refer to your cardmember agreement for any cash advance fees and finance charges that may apply.)
- Deposit funds to checking and savings accounts associated with your card. Cash deposits made at a U.S. Bank ATM are credited to your account the same business day. Checks deposited before 8 p.m. local time are posted the same day. Checks deposited after 8 p.m. local time will typically be processed and posted to the account the next business day.
- Transfer funds from your account(s) associated with your card.
- Make payments to credit card or line of credit accounts from a deposit account associated with your card.
- Check the current balance of your checking, savings, credit card and line of credit accounts associated with your card.
- Request a statement showing your most recent deposit account transactions. (Refer to the *Consumer Pricing Information* disclosure regarding any fees for purchasing statements at ATMs. This disclosure can be obtained by contacting a U.S. Bank branch or calling 800-872-2657.)
- Change your ATM or debit card PIN.
- Make certain charitable contributions from a deposit account associated with your card.

- You may access your Home Equity Line of Credit or Personal Line of Credit for balance inquiries and making a payment to the respective line of credit at the ATM.

Some of these transactions are not available at all ATMs.

For customers with a Debit or ATM card that have accessed a Home Equity Line of Credit or a Personal Line of Credit through the expanded card access feature, cash withdrawals/advances and transferring from the Home Equity Line of Credit or Personal Line of Credit is not allowed.

#### Purchases at Merchants

You may use any of your U.S. Bank Debit Cards to make purchases at merchants that accept Visa® debit cards or make money transfers using your card (through a third party). You may use your U.S. Bank ATM Card and any of your U.S. Bank Debit Cards to make purchases by entering your PIN at participating merchants. You may also get cash from a merchant, if the merchant permits. Purchases made with your card will result in debits to your “primary” checking account. These transactions will be itemized on your monthly statement, including the merchant name, location, the date of purchase and the amount of the purchase.

#### Partial Debit Card Transactions

Some merchants may be enrolled in Visa’s Partial Authorization service. This means that if you chose ‘No’ to ATM and Debit Card Overdraft Coverage, your transaction may be approved for only part of your total purchase amount. This occurs when you do not have a sufficient Available Balance, necessary to pay for the entire transaction, at the time of the purchase. Additionally, funds from your designated account(s) linked for Overdraft Protection (if applicable) may be considered when determining the amount that is authorized.

For example, if you attempt a \$30.00 transaction when your account has an Available Balance of \$20.00, your purchase may be approved for \$20.00 instead of the entire transaction being declined.

#### Virtual Debit Card

You can easily access your U.S. Bank debit card virtually through online banking and the mobile app for immediate use or add it to your mobile wallet. Please note, one-time passcode verification will be required to show or copy the card information. If you open a new debit card, it will be delivered in the mail with the same card number, a new expiration date and CVV2 (the three-digit number on the back of the card). The mailed card will require activation. If your virtual card was set up for any one-time or recurring payments, you will need to update the CVV2 and expiration date.

#### Other Electronic Transactions

In addition to transactions initiated by using your U.S. Bank Debit Card, there are other electronic banking transactions that you may arrange through your account. These include:

- Telephone activated transfers of funds from your accounts with us to other accounts with us or to third parties. These include but are not limited to transfers made by telephone or text.
- Automatic transfer of funds between checking and savings accounts.
- Automatic periodic payments to third parties or us from checking or savings accounts (for example, monthly mortgage payments, installment loan payments, insurance payments, utility payments).
- Direct deposit to checking or savings accounts (for example, payroll checks, social security payments).
- Electronic check conversions from your checking account using a blank, partial or fully completed personal check at merchant locations.
- Payments made to your account through your U.S. Bank Debit Card.
- You can also use any of your U.S. Bank Debit Cards to obtain a cash advance from your checking account at any Visa® member bank anywhere in the world.

Note: Transactions in this section are covered by Regulation E claims processes.

## LIMITS ON TRANSFERS

#### New Accounts

Generally, you cannot make deposits at a non-U.S. Bank ATM. If we permit a deposit at an ATM that is not identified as ours with the U.S. Bank name, your deposit will not be available until the fifth business day after the day of deposit.

#### Security

For security reasons, there are limitations on the transactions that you may perform with any of your U.S. Bank Debit Cards or U.S. Bank ATM Cards per day. There are limitations on the number of transactions that can be performed per day and the limits may vary. For security reasons we do not disclose these limits. There are limitations on the dollar amount of

cash withdrawals at ATMs and/or cash that you receive from merchants over the amount of your purchase. There are also limitations on the total dollar amount of purchases at merchants and/or cash advances at Visa® member banks you may perform during each 24-hour period beginning at 4:30 p.m. Central Time. Our standard transaction limits for ATM cards are \$300.00 per day for cash withdrawals and \$1,000.00 per day for purchases. Our standard transaction limits for debit cards are \$500.00 per day for cash withdrawals and \$1,000.00 per day for purchases and/or cash advances at banks. Our standard money transfer transaction limits for sending or receiving money through your U.S. Bank Debit Card is \$10,000.00 per day. We may change these limitations based on periodic risk assessments and we reserve the right to make such changes without notice to you. Transfer limits are also subject to temporary reductions to protect the security of customer accounts or transfer systems.

#### Debit Card Transactions

When you use your U.S. Bank Debit Card (Debit Card) for payment, the merchant requests U.S. Bank to authorize the transaction amount. We rely on the merchant to inform us if a debit card transaction is a one-time or a recurring transaction. At the time of the request, we authorize (promise to pay) or decline the merchant’s request. If we authorize (promise to pay) we will reduce your Available Balance by the amount of the merchant’s authorization request. Some merchants (e.g., hotels, restaurants, gas stations, car rental agencies) request an authorization that is an estimated amount of the anticipated purchase instead of the full purchase amount. As a result, the reduction of your Available Balance may be less or greater than the final debit card transaction amount presented for payment. It is important to note that your Available Balance may change between the time a debit card transaction is authorized and when the debit card transaction is presented for payment.

Debit card authorizations will be reflected as pending transactions and/or will reduce your Available Balance from the time we receive the authorization until the merchant presents the item for payment. If the debit card authorization has not been presented for payment within seven business days, it may be removed from your pending transactions and your Available Balance may no longer be reduced by the authorization amount. Due to prior authorization (promise to pay), if the debit card transaction is presented for payment at a later date we will pay the item regardless of your Available Balance.

If any debit card transaction results in a negative Available Balance at the time it is presented for payment—even if your Available Balance was positive at the time the debit card transaction was authorized—you may be charged an Overdraft Paid Fee. For more information on Available Balance please see the section titled **INSUFFICIENT FUNDS AND OVERDRAFTS**.

Please know, it is your responsibility to ensure your account has a sufficient Available Balance to cover all transactions you conduct. We recommend keeping a record of your balance and deducting every transaction at the time you initiate it.

#### FEES

We will charge you fees for electronic fund transfers in accordance with the information found in our *Consumer Pricing Information* disclosure. (This disclosure can be obtained by contacting a U.S. Bank branch or calling 800-872-2657.) The fees may be changed at any time, subject to our giving you any notice required by law.

**ATM Transaction Fee.** U.S. Bank will assess this fee for each ATM Transaction (withdrawal, balance inquiry, denied transaction, funds transfer or deposit) conducted at the Non-U.S. Bank ATM. Non-U.S. Bank ATMs are defined as any ATM that does not display the U.S. Bank logo in any manner, physically on the ATM or digitally on the screen.

**ATM Surcharge.** Non-U.S. Bank ATM owners may apply a surcharge fee on ATM transactions at their ATMs.

U.S. Bank participates in MoneyPass®, an ATM surcharge free network. To find MoneyPass ATM locations, select “visit the MoneyPass locator” at the bottom of our ATM locator search results to be taken to the MoneyPass website. If you use an ATM that uses the MoneyPass® Network and are charged a surcharge fee, please contact us at 800-USBANKS (872-2657) for a refund of the surcharge fee.

## USING YOUR CARD FOR INTERNATIONAL TRANSACTIONS

You may be able to use your U.S. Bank Debit Card or ATM card for retail purchases with international merchants, for international cash advances and all transactions performed at international ATMs utilizing Visa’s PLUS network. The PLUS network is owned by Visa, and they maintain a locator function on their website. This is not a U.S. Bank sponsored or affiliated website and we have no control over the results. Refer to our *Consumer Pricing Information* disclosure for fee information. (This disclosure can be obtained by contacting a U.S. Bank branch or calling 800-872-2657.) We may block transactions in certain foreign countries. Call us at 800-872-2657 for more information. Some merchant and

ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered international transactions under the applicable network rules, in which case we will add International Processing Fees to those transactions.

U.S. Bank does not control how these merchants, ATMs and transactions are classified for this purpose. If the transaction requires a currency conversion, the exchange rate in effect when processed may differ from the rate in effect on the date of the transaction or the date of the posting to your Account.

Transactions processed through the Visa® system will be converted according to the applicable rules established by Visa®. The foreign currency transaction will be converted to U.S. Dollars by multiplying the amount of the foreign currency times (a) a rate selected by Visa® from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa® itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. For transactions processed through other networks, the international currency transaction will be converted by that network in accordance with their rules.

Additional fees may apply. If you need to contact us about your card while outside of the United States, call us collect at 503-401-9991.

## ADVISORY AGAINST ILLEGAL USE

You agree not to use your card(s) for illegal gambling or any other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which you may be located; therefore, we reserve the right to decline all online (Internet) gambling transactions.

## DOCUMENTATION

**Terminal transfers.** You may get a receipt at the time you make any transfer to or from your account using automated teller machines or point-of-sale terminals.

**Pre-authorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call U.S. Bank 24-Hour Banking, log in to the U.S. Bank Mobile App or visit our online banking site at usbank.com to find out whether or not the deposit has been made.

**Periodic statements.** You will get a monthly account statement unless there are no transfers in a particular month. In any case, you will get the statement at least quarterly for an account to or from which you have arranged for electronic access. In the event your account has become inactive as defined in the section titled Dormant Accounts and Escheat (refer to page 12) and you have had no electronic activity, you will receive an annual statement.

## PREAUTHORIZED PAYMENTS

If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person you are going to pay ten calendar days prior to the payment date of the amount to be deducted. If the date upon which your payment is scheduled to be deducted changes, the person you are going to pay will notify you seven calendar days prior to the new scheduled date. To confirm the completion of automatic transfers, payments and/or direct deposits, please contact U.S. Bank 24-Hour Banking, or log in to your account using our Digital Services.

### Right to Stop Payment of Preauthorized Transfers

To stop a preauthorized electronic payment or transfer, please call U.S. Bank 24-Hour Banking (see last page for phone numbers) or initiate a stop payment request using Digital Services. You must notify the bank in time for us to receive your request and to be able to act upon it, which in the case of these electronic payments, is at least three business days before the transfer is scheduled to occur. We may also require you to put your request in writing and forward it to us within 14 days after you call.

**If you order us to stop one of these payments at least 3 business days before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.**

## OUR LIABILITY

**Liability for failure to make transfers.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer.
2. If you have an overdraft line and the transfer would go over the credit limit.

3. If the automated teller machine where you are making the transfer does not have enough cash.
4. If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
5. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
6. There may be other rules/limitations stated in our agreement(s) with you that excuse our failure to make a requested transfer (for example, the monthly limit on certain transfers out of non-transaction savings accounts; refer to Savings Accounts, Withdrawal section on page 15 for additional details).

## Authorized Transactions

We assume that all transactions performed with your U.S. Bank ATM Card or any of your U.S. Bank Debit Cards and/or your personal identification number (PIN) are authorized unless you promptly notify us to the contrary. If you intentionally provide another person with the means and authority to perform electronic banking transactions using your account, any resulting transactions will be treated as if they were performed and authorized by you. Such treatment will continue until you notify U.S. Bank Fraud Liaison Center (see page 22 that the other person is no longer authorized to use your card and/or PIN (in which case the card and PIN will have to be deactivated).

## UNAUTHORIZED TRANSACTIONS AND LOST OR STOLEN CARDS

An unauthorized transaction is one that another person conducts without your permission and from which you receive no benefit.

In order to avoid unauthorized transactions, please observe the following basic precautions:

- Do not keep your U.S. Bank ATM Card or U.S. Bank Debit Card and personal identification number (PIN) together. Do not write your PIN on your card.
- Do not provide your card or reveal your PIN to another person.
- Notify U.S. Bank Fraud Liaison Center or any U.S. Bank branch of the loss, theft or unauthorized use of your card or PIN.

**U.S. Bank Fraud Liaison Center  
877-595-6256**

We reserve the right to cancel, block, and not renew your access device for any reason, with or without prior notice. Reasons for suspension of access may include, for example:

- Detection of suspicious or fraudulent activity;
- Lack of usage;
- Misuse; or
- Access devices returned as undeliverable by postal service.

## CONSUMER LIABILITY FOR UNAUTHORIZED TRANSFERS

**Zero Liability for Transactions.** Except as provided in the next paragraph, you are generally protected from all liability for unauthorized use of any of your U.S. Bank Debit Cards, the associated account numbers printed on them (including purchases made over the phone, online or in the U.S. Bank Mobile App) and your ATM card or its associated personal identification number (PIN). You still need to report the loss or theft of these cards, PINs, and any unauthorized transactions to us as soon as you can. This is necessary so you can get any unauthorized transactions reversed, prevent further unauthorized transactions, and avoid liability for subsequent purchases we could have prevented had you given us notice. This policy also protects you from liability for other types of electronic fund transfers. Please follow the section entitled **Error Resolution Notice** to report any unauthorized activity on your account.

**After 60 Days from Statement Notice.** If you fail to give us notice of an unauthorized electronic fund transfer within 60 days of when we first deliver a statement to you that discloses that unauthorized transaction, you will be liable for all unauthorized electronic fund transfers that occur after that 60-day period expires if we could have prevented such transaction had you reported it to us within the 60-day period. This rule applies to all forms of electronic fund transfers (including but not limited to ATM transactions, preauthorized withdrawals, online or mobile transactions, and purchases with any of your U.S. Bank Debit Cards, etc.) that occur after the 60-day period following the first statement notice.

If a good reason (such as a long trip or hospital stay) kept you from telling us, we may extend this time period.

## BUSINESS DAYS

Bank "business days" are Monday through Friday. Federal holidays are not included.

## CONFIDENTIALITY

We will disclose information to third parties about your account as permitted by law or the transfers you make:

1. where it is necessary for completing transfers; or
2. in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
3. in order to comply with government agency or court orders; or
4. if you give us your written permission; or
5. according to our privacy pledge, which generally permits us to share information with companies that perform marketing or other services on our behalf.

## ERROR RESOLUTION NOTICE

In case of errors or questions about your electronic transfers, call U.S. Bank 24-Hour Banking at a number on the last page, visit any U.S. Bank branch or write us at the address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your dispute or question in writing within ten business days. We will determine whether an error occurred within ten business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your dispute or question. If we decide to do this, we will credit your account within ten business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your dispute or question in writing and we do not receive it within ten business days, we might not provisionally credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your dispute or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation. Write to us at:

U.S. Bank  
EP-MN-WS5D  
60 Livingston Ave.  
St. Paul, MN 55107

Error resolution and contact information with respect to Digital Services is provided in our *Digital Services Agreement*.

## NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful:

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Do not leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Do not lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.

8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Do not accept assistance from anyone you do not know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Do not display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and local law enforcement officials immediately.

## ELECTRONIC FUND TRANSFERS FOR BUSINESS CUSTOMERS

This section governs transactions initiated by you or your employees using a U.S. Bank Business Debit Card or ATM Card, or other U.S. Bank card products offered to business customers from time to time by U.S. Bank ("Business Debit Card(s)"). This section does not apply to electronic fund transfers initiated using online and mobile services ("Digital Services"). When you enroll in Digital Services we will provide you with the U.S. Bank *Digital Services Agreement* that governs the electronic fund transfer services we make available on our Digital Services platforms.

Your use of business debit cards is subject to the fees and terms of your checking and savings accounts as set forth elsewhere in this Agreement and in related disclosures and fee schedules, which are available at any branch in your state. Some ATM networks impose an additional transaction fee unrelated to our fees and charges and may be assessed to your account. Other electronic transactions against your account, whether or not initiated or authorized by you will be governed by the specific Agreement between us related to such transactions and/or all applicable rules and regulations governing such transactions, including without limitation, the rules of the National Automated Clearing House Association (NACHA) as may be amended from time to time.

Under NACHA rules we cannot return an unauthorized electronic transaction (ACH debit) unless you notify us no later than 5:00 p.m. Central Time on the business day following the settlement date of the transaction. Otherwise, your sole recourse is to the originator of the transaction.

## ACCOUNT ACCESS

Any business debit card or personal identification number (PIN) issued to or selected by you, except sole proprietors who choose to have a sole proprietor business debit card, may access only related business checking or business savings accounts (for example, accounts with the same name or tax identification number). Sole proprietor business debit cards, however, can access up to five checking accounts, five savings accounts, and five line of credit or credit card accounts through Expanded Account Access. Sole proprietor cards may access business and personal accounts. For more information on Expanded Account Access, see the Electronic Fund Transfers for Consumer Customers section.

Access methods will differ depending on the business debit card selected by you and approved by us. All business debit card services may not be available depending on the access method selected.

## LIMITS ON TRANSFERS

### New Accounts

Generally, you cannot make deposits at a non-U.S. Bank ATM. If we permit a deposit at an ATM that is not identified as ours with the U.S. Bank name, your deposit will not be available until the fifth business day after the day of deposit.

## Security

For security reasons, there are limitations on the transactions that you may perform with any of your U.S. Bank Business Debit Cards or U.S. Bank Business ATM Cards, per day. There are limitations on the number of transactions that can be performed per day and the limits may vary. For security reasons we do not disclose these limits. There are limitations on the dollar amount of cash withdrawals at ATMs and/or cash that you receive from merchants over the amount of your purchase. There are also limitations on the total dollar amount of purchases at merchants and/or cash advances at Visa® member banks you may perform during each 24-hour period beginning at 4:30 p.m. Central Time. Our standard transaction limits for business ATM cards are \$500.00 per day for cash withdrawals and \$2,500.00 per day for purchases. Our standard transaction limits for business debit cards are \$500.00 per day for cash withdrawals and \$10,000.00 per day for purchases and/or cash advances at banks. Our standard money transfer transaction limits for sending or receiving money through your U.S. Bank Debit Card is \$10,000.00 per day. We may change these limitations based on periodic risk assessments and we reserve the right to make such changes without notice to you. Transfer limits are also subject to temporary reductions to protect the security of customer accounts or transfer systems.

## Debit Card Transactions

When you use your U.S. Bank Business Debit Card (Debit Card) for payment, the merchant requests U.S. Bank to authorize the transaction amount. We rely on the merchant to inform us if a debit card transaction is a one-time or a recurring transaction. At the time of the request, we authorize (promise to pay) or decline the merchant's request. If we authorize (promise to pay) we will reduce your Available Balance by the amount of the merchant's authorization request. Some merchants (e.g., hotels, restaurants, gas stations, car rental agencies) request an authorization that is an estimated amount of the anticipated purchase instead of the full purchase amount. As a result, the reduction of your Available Balance may be less or greater than the final debit card transaction amount presented for payment. It is important to note that your Available Balance may change between the time a debit card transaction is authorized and when the debit card transaction is presented for payment.

Debit card authorizations will be reflected as pending transactions and/or will reduce your Available Balance from the time we receive the authorization until the merchant presents the item for payment. If the debit card authorization has not been presented for payment within seven business days, it may be removed from your pending transactions and your Available Balance may no longer be reduced by the authorization amount. Due to prior authorization (promise to pay), if the debit card transaction is presented for payment at a later date we will pay the item regardless of your Available Balance.

If any debit card transaction results in a negative Available Balance at the time it is presented for payment—even if your Available Balance was positive at the time the debit card transaction was authorized—you may be charged an Overdraft Paid Fee. For more information on Available Balance please see the section titled **INSUFFICIENT FUNDS AND OVERDRAFTS**.

Please know, it is your responsibility to ensure your account has a sufficient Available Balance to cover all transactions you conduct. We recommend keeping a record of your balance and deducting every transaction at the time you initiate it.

## Account Access at Automated Teller Machines

You may use any of your Business Debit Cards (except as noted below in **Employee Debit Cards and ATM Cards**) to make the following transactions at ATMs:

- Make cash withdrawals from your checking and savings accounts. Cash denominations vary by ATM.
- Get cash advances from your credit card or line of credit account. (Refer to your cardmember agreement for any cash advance fees and finance charges that may apply.)
- Deposit funds to checking and savings accounts associated with your card. Cash deposits made at a U.S. Bank ATM are credited to your account the same business day. Checks deposited before 8 p.m. local time are posted the same day. Checks deposited after 8 p.m. local time will typically be processed and posted to the account the next business day.
- Transfer funds from your account associated with your card.
- Make payments to credit card or line of credit accounts from a deposit account associated with your card.
- Check the current balance of your linked checking, savings, credit card and line of credit accounts.
- Request a statement showing your most recent deposit account transactions. (Refer to your account fee disclosures regarding any fees for purchasing statements at ATMs.)

- Change your ATM or debit card PIN.
- Make certain charitable contributions from a deposit account associated with your card.

Some of these transactions are not available at all ATMs.

## Purchases at Merchants

You may use any of your Business Debit Cards (except as noted below in **Employee Debit Cards and ATM Cards**) to make purchases at Visa® merchants that accept debit cards or make money transfers using your card (through a third party). You may use any of your business debit cards to make purchases by entering your PIN at participating merchants. You may also get cash from a merchant, if the merchant permits. Purchases made with your card will result in debits to your "primary" checking account. These transactions will be itemized on your monthly statement, including the merchant name, location, the date of purchase and the amount of the purchase.

## Employee Debit Cards and ATM Cards

Business debit cards issued to employees only allow ATM deposits at an automated teller machine. They do not allow ATM cash withdrawals. Employee ATM cards do not have purchase access at merchants.

## Virtual Debit Card

You can easily access your U.S. Bank debit card virtually through online banking and the mobile app for immediate use or add it to your mobile wallet. Please note, one-time passcode verification will be required to show or copy the card information. If you open a new debit card, it will be delivered in the mail with the same card number, a new expiration date and CVV2 (the three-digit number on the back of the card). The mailed card will require activation. If your virtual card was set up for any one-time or recurring payments, you will need to update the CVV2 and expiration date.

## Other Electronic Transactions

In addition to transactions initiated by using your business debit card, there are other electronic banking transactions that you may arrange through your account. These include:

- Telephone activated transfers of funds from your accounts with us to other accounts with us or to third parties. These include but are not limited to transfers made by telephone or text.
- Automatic transfer of funds between checking and savings accounts.
- Automatic periodic payments to third parties or us from checking or savings accounts (for example, monthly mortgage payments, installment loan payments, insurance payments, utility payments).
- Direct deposit to checking or savings accounts (for example, payroll checks, social security payments).
- Electronic check conversions from your checking account using a blank, partial or fully completed personal check at merchant locations.
- Payments made to your account through your U.S. Bank Debit Card.
- You can also use any of your Business Debit Cards to obtain a cash advance from your checking account at any Visa® member bank anywhere in the world.

## FEES

We will charge you fees for electronic fund transfers in accordance with the information found in our *Business Pricing Information* or *U.S. Bank Business Essentials® Pricing Information* disclosure(s). The fees may be changed at any time, subject to our giving you any notice required by law.

**ATM Transaction Fee.** U.S. Bank will assess this fee for each ATM Transaction (withdrawal, balance inquiry, denied transaction, funds transfer or deposit) conducted at the Non-U.S. Bank ATM. Non-U.S. Bank ATMs are defined as any ATM that does not display the U.S. Bank logo in any manner, physically on the ATM or digitally on the screen.

**ATM Surcharge.** Non-U.S. Bank ATM owners may apply a surcharge fee on ATM transactions at their ATMs.

U.S. Bank participates in MoneyPass®, an ATM surcharge free network. To find MoneyPass ATM locations, select "visit the MoneyPass locator" at the bottom of our ATM locator search results to be taken to the MoneyPass website. If you use an ATM that uses the MoneyPass® Network and are charged a surcharge fee, please contact us at 800-USBANKS (872-2657) for a refund of the surcharge fee.

## USING YOUR CARD FOR INTERNATIONAL TRANSACTIONS

You may use your business debit card for retail purchases with international merchants, for international cash advances and all transactions performed at international ATMs that bear any of the network logos found on your card. Refer to our *Business Pricing Information* or *U.S. Bank Business Essentials® Pricing Information* disclosure(s) for fee information. (Both disclosures can be obtained by stopping into a U.S. Bank branch. We

may block transactions in certain foreign countries. Call us at 800-673-3555 for more information.) Some merchant and ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered international transactions under the applicable network rules, in which case we will add International Processing Fees to those transactions. U.S. Bank does not control how these merchants, ATMs, and transactions are classified for this purpose. If the transaction requires a currency conversion, the exchange rate in effect when processed may differ from the rate in effect on the date of the transaction or the date of the posting to your Account.

Transactions processed through the Visa® system will be converted according to the applicable rules established by Visa®. The foreign currency transaction will be converted to U.S. Dollars by multiplying the amount of the foreign currency times (a) a rate selected by Visa® from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa® itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. For transactions processed through other networks, the international currency transaction will be converted by that network in accordance with their rules.

**Additional fees may apply.** If you need to contact us about your card while outside of the United States, call us collect at 503-401-9991.

## BALANCE REQUIREMENTS

Transactions using your business debit card will be completed only if sufficient funds are available in the applicable account balance, overdraft protection or other linked credit facility to fully perform the transaction.

## UNAUTHORIZED TRANSACTIONS AND LOST OR STOLEN CARDS AND SECURITY

You are solely responsible for maintaining the security of your business debit cards and PINs and their use by you and your employees and other agents. You shall be liable for the acts of your employees and agents related to your business debit cards, including business debit card applications and other service requests. If you provide another person with the means to perform transactions related to your accounts using your business debit card or PIN, any resulting transactions will be treated as if they were performed and authorized by you.

You are generally protected from liability for unauthorized use of your business debit card.

The U.S. Bank Zero Liability policy is subject to certain conditions. If we determine that the unauthorized transaction was caused by your gross negligence or fraud, the U.S. Bank Zero Liability policy will not apply. You still need to report the loss or theft of these cards, PINs, and any unauthorized transactions to us as soon as you can. This is necessary so you can get any unauthorized transactions reversed, prevent further unauthorized transactions, and avoid liability for subsequent purchases we could have prevented had you given us notice.

You must report an unauthorized debit card transaction to us within a reasonable time, not to exceed 60 days, from the day we send or make your account statement available to you on which an unauthorized transaction is first reported. If you fail to give us notice of an unauthorized debit card transaction within 60 days of when we first deliver a statement to you that discloses that unauthorized transaction, you will be liable for all debit card transactions that occur after that 60-day period expires if we could have prevented such transaction had you reported it to us within the 60-day period.

Please be aware that consumer rights governed by the Electronic Fund Transfer Act do not apply to business accounts and we are not liable to reimburse you for unauthorized or erroneous transactions that may occur on your business account via electronic fund transfer.

If you believe that an erroneous or unauthorized transaction has occurred using your business debit card, or if your card has been lost or stolen, or if you want to cancel a business debit card issued to you or your employee/agent, or if you want to change your PIN, you must immediately telephone us at:
