Consumer Lease Authorization of Automatic Payment Withdrawal

Automatic Payment Terms & Conditions

- Complete this form and attach a voided check from the deposit account that is to be debited each month.
- The form must be received and processed at least 5 business days before the next due date for the payments to occur automatically. Contact U.S. Bank 24hr Banking at one of the numbers listed below to inquire on whether the Automatic Payments have been established on your account.
- If Automatic Payments cannot be established as requested, a letter will be mailed to you with a brief explanation of any issues. This may cause a delay in set up of your Automatic Payments. You will still be responsible to make any billed payments until Automatic Payments have been established.
- **You will not receive monthly billing statement while your account is set up on Automatic Payments unless there are fees, taxes, or additional charges on the account. These additional assessments will not be automatically deducted; they will instead be billed to you at the end of your lease term.**
- If you choose to make additional payments outside of your Automatic Payment, your Automatic Payment will still be debited from your Deposit account on each due date.
- Your Automatic Payment Due Date will be the contracted due date as indicated on your lease agreement.
- Your Automatic Payment Amount will be the contractual amount due as indicated on your lease agreement.
- If your due date falls on a weekend or a holiday, the Automatic Payment will be debited from your Deposit account on the following business day.

To cancel Automatic Payments, U.S. Bank must be notified at least three business days prior to the applicable payment date by calling U.S. Bank 24hr Banking at one of the numbers listed below. If the Automatic Payment is not cancelled in time, the system will still debit the payment from your Deposit account.

Any fees assessed to your account such as late or insufficient funds will be due at the end of your lease term.

To change your contractual due date, a fee may apply. Please contact U.S. Bank 24hr Banking at one of the numbers listed below for assistance.

Conditions that may cause the Automatic Payment to be cancelled on your account:

-If your Automatic Payment has been returned due to insufficient funds for three consecutive payments. A payment returned as insufficient funds may be assessed a fee which will be due at the end of your lease term.

-If we receive notice that your Deposit account has been closed or frozen, or is an invalid number. A payment returned due to the Deposit account being closed, frozen or invalid may be assessed a fee which will be due at the end of your lease term
