We draw strength from diversity.

Embracing diversity, championing equity and fostering inclusion are business imperatives for U.S. Bank, and a fundamental part of everything that makes us who we are: our brand, business, talent pool, communities and more.

What we mean when we say “DEI”
The overall term “diversity, equity and inclusion (DEI)” describes our commitment to embracing individual differences, enabling equitable outcomes and fostering inclusion. This action helps us drive business growth and makes us stronger, more innovative and more responsive. It furthers the interests of all our stakeholders: investors, customers, employees and communities we serve.

“Diversity” refers to human dimensions including ability, age, education, ethnicity, gender identity, gender, national origin, race, sexual orientation, social class, veteran status or religious or ethical value systems.

“Equity” is about leading with data to be strategic in our approach and focusing with intent on closing gaps.

“Inclusion” means creating and sustaining a positive work environment that respects and values individuals, and helps employees be authentic, reach their potential and maximize their contributions.

---

Our DEI strategy seeks to ensure that all employees, customers and key stakeholders have the opportunity to achieve their full possibilities.

<tr>
<td>Building and promoting a diverse and inclusive workplace helps us identify the best talent to meet the changing needs of the people we reach. Through surveys, Business Resource Groups and ongoing education opportunities, we foster a culture of lifelong learning.</td>
<td>We actively strive to reflect the communities in which we live, work and play. Through our Community Possible giving platform, we invest our time, resources and passion in economic development by supporting efforts to create stable jobs, better homes and vibrant communities.</td>
<td>Diversity is a business imperative, and we believe the economy is stronger because of the rich differences and shared experiences of the customers we serve. We build deep, meaningful relationships with our customers and suppliers to meet their unique needs.</td>

Business Resource Groups

Our 10 Business Resource Groups (BRGs) bring together employees who have similar backgrounds, experiences or interests and their allies. BRGs provide employees with opportunities to network, learn, develop leadership skills and contribute powerfully to our company and the communities where we live and work. They raise awareness and contribute to business results through the lens of what’s important to their members.

Our current BRGs include:
- Alumni
- Asian Heritage
- Black Heritage
- Development Network
- Disability
- Native American
- Nosotros Latinos
- Proud to Serve (Military/Veterans)
- Spectrum LGBTQ
- Women

More than 110 local BRG chapters in the U.S. and Europe

40% of employees engage with our BRGs annually

Workforce demographics

Our employees’ varied backgrounds and life experiences, willingness to collaborate and bring their full selves to work – that openness is what keeps us competitive, and makes U.S. Bank a great place to work. So what’s the breakdown? Our workforce demographics are updated annually in our Environmental, Social and Governance report. Our goal is to reflect the communities we serve, and we know there’s room for improvement. By providing this data publicly, we hold ourselves accountable to shifting these percentages over time.
