Optional Benefits

With flexibility, variety, faster award travel and more, U.S. Bank FlexPerks® Corporate Rewards go farther. FlexPerks Corporate Rewards* is an optional addition to the benefits of the U.S. Bank Executive Card. It shares the rich and flexible redemption features of its consumer counterpart, the FlexPerks® Travel Rewards card, which has won awards from Kiplinger's Personal Finance, Forbes and elsewhere.

Whether you need to incent valuable executives and frequent business travelers or drive adherence with card program policies, FlexPerks Corporate Rewards can be tailored for a wide range of organization types, sizes and needs. Here's a quick summary:

- Cardholders earn 1 FlexPoint per \$1 spent. Points have the same value and redemption options as the consumer product.
- Cardholders can use their points to travel on more than 150 airlines with no blackout dates or redemption fees, stay at thousands of hotels and rent with most major car-rental companies. The redemption tool offers a full range of itineraries, air/hotel packages and other options.
- Employees can redeem for awards starting at just 5,000 FlexPoints. And FlexPoints can offer up to twice the value of other point programs when redeemed for travel rewards.
- Points can also be used for merchandise rewards, including electronics, clothing, sports equipment and more, plus gift cards from major retailers.
- Cardholders can easily and instantly transfer FlexPoints from a corporate account to a FlexPerks consumer account for faster earning and redemption.
- Cardholders can use any combination of FlexPoints and cash to redeem for flights, car rentals and more providing even more flexibility.

Fast earning and easy redemption make FlexPerks Corporate Rewards one of the best values in the market for corporate rewards. Plus, it gives employees a tangible reason to choose the executive card over their personal card for all business travel expenses.
