Choose if you want ATM/Debit Card Overdraft Coverage

You’ll need to make a decision about ATM Transactions and debit card purchases (e.g., paying for gas at the pump, buying groceries, buying something online) when there isn’t enough money available in your account.

- If you say “Yes” to ATM and Debit card overdraft coverage the bank may pay these transactions and charge an overdraft fee.
- If you say “No” to ATM and Debit card overdraft coverage these transactions will be declined, and you will not be charged an overdraft paid fee.

Note: Saying “No” to overdraft coverage for ATM and debit card transactions does not guarantee that you will avoid any overdraft fees for other types of transactions on your account.

Checks, Automatic Bill Payments, and Recurring Debit Card Transactions

These items may be paid or returned at our discretion and are subject to Overdraft Paid or Overdraft Returned Item Fees
