Care of your WildCARD

Magnetic fields can demagnetize and invalidate your WildCARD, so keep it in the protective purple sleeve provided. If your card becomes demagnetized, the WildCARD office will need to recode it.

Do not staple or punch holes in your card. To receive a replacement card, your damaged card must be turned in to the WildCARD office in order to avoid a \$15 replacement fee. Replacement for a Proximity card will be a fee of \$25.00. Your WildCARD is the property of Northwestern University and must be surrendered upon University request or your separation from NU. Your WildCARD is for your use only and is not transferable.

Lost/Stolen Cards

If your WildCARD is lost or stolen, report it to the WildCARD Office immediately. If your WildCARD is stuck in a card reader, you must notify the WildCARD Office immediately. Lost or stolen cards will result in a \$15 replacement charge. Replacement for a Proximity card will be a fee of \$25. Any value on the CashStripe cannot be refunded.

If your WildCARD has been linked to your U.S. Bank checking account, notify U.S. Bank immediately at 800-US BANKS.

NORTHWESTERN UNIVERSITY

All About Your WildCARD

The WildCARD is the official identification card for every student, faculty and staff member at

Northwestern University. It offers you a convenient, easy and safe way to make purchases and utilize campus services. Use your WildCARD as your only card, your key to campus living.

- Establish your e-mail account
- Access student meal plans
- Check out library materials and gain admittance to the library and other campus buildings during restricted hours
- Take University shuttle buses on either campus (for more details, see www.shuttle.northwestern.edu)
- Use the computer lab facilities on both campuses
- Enter the Henry Crown Sports Pavilion and Norris Aquatic Center (SPAC) and other athletic facilities on the Evanston campus
- Gain admittance to undergraduate student seating in the general admission section for sports events
- Purchase discounted tickets for music and theater performances on the Evanston campus
- Utilize Student Health Services for office visits and prescriptions (students) and take advantage of flu shot offers when available (faculty, staff, and students)
- Obtain student, staff, and faculty discounts from local merchants in Chicago, Evanston and surrounding areas with the WildCARD Advantage program (for more details, see www.wildcardadv.northwestern.edu)

Cash Stripe

When you need something in a hurry but you've run out of cash, just use your WildCARD CashStripe! Instead of fumbling for change, use your CashStripe at copiers and vending machines. CashStripe is stored value, giving you the flexibility to pay for purchases with your WildCARD.

To add value to your WildCARD CashStripe, visit one of the many Cash-to-Card machines located on campus. You can also add value at any copier that accepts both cash and the WildCARD. When adding value, simply put your card in, insert a bill (\$1, \$5, \$10, or \$20) to keep up to a maximum of \$50 on your WildCARD. The money is encoded onto the small stripe on your WildCARD, and it is available to use just like cash. Please note: The money you load onto your CashStripe is not refundable, so only add as much money as you will actually use. If you lose your WildCARD, you will also lose any money that was added to your CashStripe.

WildCARD Advantage Program

Show your WildCARD and save with free delivery, free items, or discounts on a wide range of products and services in Evanston, Chicago, and the surrounding area. To receive your discount, simply present your WildCARD at the time of purchase. For a list of participating merchants, go to www.wildcardadv.northwestern.edu.
